PROFESSIONAL SUMMARY

Information Technology student with hands-on experience building full-stack web and cross-platform mobile applications using React, Next.js, Flutter and Firebase. Experience includes client websites, scholarship platforms, school trip management and translation applications.

TECHNICAL SKILLS

Web: React, Next.js, TypeScript, JavaScript, Tailwind CSS, Vite, React Router
Mobile: Flutter, Dart, React Native, Expo
Backend and Databases: Firebase, Cloud Firestore, Firebase Authentication, Cloud Functions, Supabase, MySQL, Node.js
AI and Integrations: Gemini, Google ML Kit OCR, translation APIs, speech-to-text, text-to-speech, Google Maps, geofencing
Tools and Design: Git, GitHub, Vercel, jsPDF, Canva
Development Practices: Responsive design, role-based access control, real-time data, performance optimization, deployment

PROFESSIONAL EXPERIENCE

Freelance Web Developer | Gen Zone Works
Cleaning business client in Melbourne
- Built and deployed a cleaning business website with an instant itemized quote estimator, downloadable PDF quotes and geolocation.
- Implemented a login-protected dashboard for customer quote management using Firebase Authentication, Cloud Firestore and security rules.

PROJECTS

iSkolarsPH
Technologies: Next.js, React, TypeScript, Tailwind CSS, Firebase
- Developed a scholarship platform for opportunity discovery, applications, donor management and administration.

FieldTrip360
Technologies: Flutter, Dart, Firebase, Google Maps, Cloud Functions
- Built a school trip management app with location tracking, attendance, SOS alerts, chat and admin dashboards.

Gen Zone Works
Technologies: React, Vite, React Router, Firebase, jsPDF
- Cleaning business website with an instant quote estimator, downloadable PDF quotes and an admin dashboard.

Language Bridge
Technologies: Flutter, Dart, Firebase, Google ML Kit, speech-to-text, text-to-speech
- Developed a translation and language-learning app with voice input, camera text recognition, lessons and quizzes.

NU-EDIS

- Web-based system for NU Baliwag students and clinic personnel with location-based SOS reports, an emergency response dashboard, and centralized medical and clinic visit records.

EDUCATION

Bachelor of Science in Information Technology
National University Baliwag | 2023 - Present
